Pro + GST	₹2,298	₹1,999	₹299

GST compliance - ₹999/month individually

One GSTIN; GSTR-1 and GSTR-3B preparation and filing support, basic purchase reconciliation, and up to 100 sales and purchase invoices combined per month. Customer provides complete, reconciled records. QRMP or other filing arrangements require an agreed scope.

Software and service limits are separate. A software invoice allowance does not increase the invoice volume covered by the GST service. Bookkeeping is additional unless included in your package.

Pricing basis: Fees per business unless stated. Applicable taxes, government charges, tax payments and penalties are additional. Services begin after scope and records are reviewed.
